

EZ-PULL 2

PIN RELEASE SYSTEM

The EZ-PULL 2 is the most user-friendly pin puller in the industry.

Pull force has been reduced by over 50% compared to the previous EZ-Pull system.

Features:

- A** Improved pull handle ergonomics
- B** Less potential damage to linkage with improved cam system
- C** Dual compression/retraction spring system at each pin
- D** Serviceable pin cartridge

And backed by Hutchens warranty!

What's new? Optimized geometry and components take advantage of mechanical leverage for an effortless pull. The new EZ-Pull 2 makes slider repositioning a one-person job for any driver.

Not only does EZ-Pull 2 eliminate most of the problems associated with bound lock pins, it also reduces the effort needed to pull the pin release handle — a real work-saver!

* Bound lock pins can happen but, by gently rocking the trailer back and forth, a bound pin can be freed.
